Algonquin, Canada Canoe Trip!

Camping, Canoeing and Hiking

If “variety is the spice of life” then His Place Teen Center is the spiciest place in town!

Biking has taken a pass as the ‘main event’ of the summer. This summer 18 teens and chaperones will challenge the Canadian wilderness in t-shirts and swimming suits as we encounter the beauty of Algonquin State Park in Ontario, Canada, in the month of July.

Immediately following our regular Friday night ‘Teen Center’ activities, on the 18th, the fearless and adventuresome group will leave for the first leg of our journey. The driving time to the park is estimated at 12 hours which should put us at the park by noon on Saturday, the 19th.

We’ll load up and paddle just a few miles to an island in Lake Opeongo, where we’ll camp for the night.

The next day we’ll canoe the 4 mile lake and then begin our creek and river paddle/portage adventure which will take us on a 7 day wilderness adventure where we’ll survive by our skills, eat from what we carry on our backs, and encounter life through the

camaraderie and spirit that we develop from depending on each other.

This is the first Teen Center trip where the teens will be just as responsible for the ‘goings-on’ of the daily routine as the chaperone’s!

Each day there will be duties that groups of campers will be responsible for like: gathering firewood, cooking, setting up tents (which includes the ground underneath the tents and selecting a site not prone to ‘natural disasters’), filtering our daily ration of drinking water, gathering fire-wood, and setting up our ‘sun shower’. You didn’t think we weren’t going to bathe did you?

These duties will rotate each day so that everyone gets a chance to see how easy the others had it. It also prepares fertile ground for evening critiques of the challenges each group faced and how it could be achieved ‘better’.

Mentoring is the opportunity to share life with another where you both benefit.

This trip is another way to experience what the Lord has in store for the teens of Oxford, and especially for those of the Teen Center

Story by Staff person Ron Blake

Heading Up The Mountain!

You can hike on a mountain, you can ski on a mountain, pick berries on a mountain... Tumble down a mountain ...but, can you pray and fast on the mountain? You Betcha! That’s just what 14 teens and 7 staff members did on the weekend of April 19 and 20th. The mountain was located in Weld, Maine. The camp we stayed in was appropriately

Staff and youth listening to Art at the “Seek Ye First Weekend”

named after the mountain it sits halfway up- Blueberry Mountain Camp. What a weekend we had as we prayed and fasted Saturday and WORSHIPPED AND PRAYED MORE Sunday! I could list all we did, and God did through the course of our weekend, but it would pale terribly, next to our experience. All who have ever set apart time like that I'm sure will understand. I will say this: our Lord and Savior did certainly show up and show off. Honestly, I did not know how teens would respond to a weekend like this... no games, no entertainment, no teen band. But one by one, each teen upon arrival home, said they had never quite experienced anything like this. Some said it was the best time they had ever had. 21 people on a mountain. 21 people earnestly giving a weekend to their Savior. God was close. I believe none of us will ever forget our experience with God that weekend, and I hope this causes us to never ever turn away from our Lord Jesus Christ. I would like to add that Bob and Donna were gracious hosts. And their facility and all they did for us was done with excellence. Our "break the fast" meal on Sunday was fit for a king. Each little thing was carefully thought out and done well. We believe with them, as we serve each other, we serve our King. As we ended with worship, my ears picked up sounds that gave me an earthly glimpse of Heaven. Thanks, Jesus. Art

The Connecting Rodz Car Club!

Hi this is Plum, the president of The Connecting Rods Car Club. No, we are not a model club, cause we don't just build model cars, we talk about the real thing. A lot of you don't know that cars are biblical. Well, I am here to tell you it is (at least that is what my grandmother told me).

Lets look in the old testaments at Nahum 2:4 "but chariots shall rage in the streets" I see that as a 1971 Cleveland powered Mach I going by a 68, 389 powered LaMans Sport. That sport has more torque but that Mustang just has more in general. Back to the scripture, "they shall jostle one against the other in the broad ways" oh my goodness, can't you see an 81, Z-28, with its 1 1/8 sway bar out maneuvering, lets say a 69 Camaro Z-28. And the last of the scripture says "they shall seem like torches, they shall run like the lightning". I don't know if this is what the Lord meant or not, but it sure seems to fit. After all cars have only been around, the earliest I know of is the mid 1800's. I do like cars and so do the kids. Eric is just finishing up his 3rd vehicle. His first one was a 55 Nomad. His last one was an international Scout, (which he did a very good job on), and the current chariot is a 69, Z-28 rag top. You see Eric is a gear head. Just like Laura, Martika, and Vanessa. We don't like to talk about her much, I guess it is a personal thing, she is putting polka dots on her Chevy II. Well, it is her ride. I probably will like it when it is done, after all she is a gear head too.

If you know of a teen, or you are one, that is interested in building a car, come see me on Friday nights from 6-8:30. We have different cars and it doesn't cost you anything. We just want to mess with cars. Gear Head Plum.

ATTENTION: If you would like to contribute to the purchase of model cars or know where there are some please let me know as they are getting very hard to find and this has really taken off with great interest with both the boys and the girls.

We are in need of Model Paint. If you know where we can get some please let me know (hard to come by now) Thank you for your interest.

Motorcycle Ride and Fundraiser!

Calling all motorcyclists from across the state and beyond to the first annual Motorcycle Ride and Fund-raiser, that has been in the planning stages for over a year. If you like motorcycling and riding with a group consider joining us on Sat. August 16th for this great ride to benefit His Place Teen Center. We are still working out all the details, but we plan to start from the His Place Teen Center property at 254 Webber Brook Road in Oxford. The Multi-Purpose Room will be open at 8:00 AM so anyone can come see the facility, have, juice, coffee and donuts. Registration will start at 9:00 AM. We will have a map and directions for everyone, and bottles of spring water. We will begin our journey to the Balsams in NH. We plan to return to the teen center about 3:00 PM for a barbecue and bike blessing.

Suggested donation \$20.00 a person or \$30.00 a bike. F.M.I. check our website at www.hisplaceteencenter.com, or call Bert at 743-9503 or 515-3000.

Alpha Course!

ALPHA COURSE! This started May 1 and is an (8 week course), introduction to Christianity and takes place on Thursdays starting at 6:30 with a nice meal in an informal setting in the Multi-Purpose Room, followed by (2) 20 minute DVD presentations and then a discussion time to answer questions. This is FREE to anyone that wants to attend and is facilitated by our friend, and Bible teacher, Sam Maruca. F.M.I. call Bert, 515-3000. We will have another Alpha Course in the fall.

His Place Teen Center Goals!

We are less than \$30,000.00 from completing our Phase II addition. Once this is complete we will have built a (\$500,000.00 facility) replacement value, all paid for with no mortgage in just 10 years since we purchased our property in Sept. of 1998.

It is our goal to complete our commercial kitchen with a new expanded counter in our snack bar area, put down a good tile floor, (tile floor is now in as of April 30th., trim, paint ect. We also plan to complete our Multi-Purpose Room with a good tile floor as well, trim, paint etc. This room is being used a lot now with the Outpost meetings, Alpha Course on Thursdays, and Friday night activities. We also want to complete our ladies bathroom. We are presently working on the men's bathroom and have the fixtures in place and plumbed up by our friend Joe Lynch. We are using funds that came from the \$2,500.00 the Norway-Paris Kiwanis Club gave for this purpose. I want to believe for our central heating system to be put in this year before cold weather. We also have our food pantry off the kitchen to get in place and the hallway and entrance area where people enter the building. We have a little more work to do outside with some vinyl siding and closing in the eaves out back etc. Once we complete this work it will leave our Fitness Room with showers, this is located just off the Multi-Purpose room and has been in the plans for years. This will most likely be done next year unless funds are provided earlier. We also will have a 16' x 20' room over

Phase I a 26' x 52" two story Gambrel building with Game Room. Opened on March 16, 2001. Phase II our new 36' x 70' addition began Nov. of 2002 (We need less than \$30,000.00 to finish the entire building). PTL!

the Multi-Purpose room and another 16' x 14' class room upstairs to build. If we are able to complete all this by the end of August 2008 I believe this will be a great goal and we will be ready to minister to the youth and put all the programs in place we have dreamed and envisioned since beginning in August 1992. If you would like to contribute to our building fund please make out your check to His Place Teen Center and tag your check building fund and mail it to His Place Teen Center, 254 Webber Brook Road, Oxford, Me. 04270. Thank you!

His Place Teen Center Phase II Update!

We are pleased to report the \$3,800.00 donation given recently is being used toward completing our Multi-Purpose Room, Kitchen, and Women's bathroom, the tile floor is down in the kitchen as of May 1st. We also are well on our way toward putting in our much needed men's bathroom. The fixtures have been delivered through our friend Larry Keene from Casco, saving us money and our friendly plumber, Joe Lynch is getting them in place. It is my goal and aim to have the men's bathroom in place by the end of summer. We are on course to do that.

This will make our facility more user friendly for programs we have planned and for other organizations to use our facility for functions.

As I have always explained we do the work ourselves, saving us dollars, except in cases where we need professional help, like plumbing etc. Thank you Larry Keene and Joe Lynch for your help!

Staff member, Ron Blake put in our new kitchen floor. P.T.L!!

Alpha & Omega Thrift Shop!

“Where Junk becomes Treasure”! We are now going into our second year of operation and sincerely thank everyone that helped make this dream come true. On May 1st of last year we opened in a meager 16’ x 24’ building and quickly outgrew it in a month. Fast forward to now, we moved in a 24’ x 60’ double wide mobile unit, in late November. This came from Schiavi Leasing, (formerly used as portable classrooms around the state). We also put in electricity for heat, lights, and to allow us to make sure things worked as they are dropped off. We held our own through out the winter months and believe this helped spread the word we are here. We now have approximately 1440 square feet of floor space to shop in and have had a great response from the Oxford Hills and surrounding area to both donate and to shop and save, at the Alpha & Omega Thrift Shop. In this tough economy we believe the need will increase even more. We get some real nice items that people can get many more years of use from that would have been discarded into the trash. We estimate we are taking 3-5 tons out of the system a month that would have been in land fills.

The Alpha and Omega Thrift Shop has been instrumental in helping people save money, thus providing needed funds to help with the increasing operational costs at His Place Teen Center and reaching our youth. It also has helped provide a more livable wage for Bert and Fran as Directors and also to help with the cost of running a ministry like ours. Bert has been full time at His Place Teen Center for 4 years. We get a big variety of donated items, (consisting of everything from household items, general merchandise, furniture, baby items, clothes, books, ect.) This merchandise comes in from all over the Oxford Hills and surrounding area and is helping to meet a need in the community. It has been proven in other parts of the state that recycling with thrift shops saves the towns and tax payers money. We are seeing a great response to our efforts and thank everyone that has given items to us and that shop and save with us. Tell all your friends to come visit us at the Alpha & Omega Thrift Shop. Thank you all!!

Directions to Alpha & Omega Thrift Shop

The Alpha & Omega Thrift Shop is located (inside the Norway/Paris Solid Waste facility) on 39 Brown Street in Norway, Maine. Take the road (across from Amato’s and on the corner of the Oxford Networks building and Cafe Corner). Go down Brown Street about 1/4 mile and drive through the NPSW facility and you will see us just down over the hill on the right on your way out of the plant. This is just a little over 2 1/2 miles from the teen center that is located on 254 Webber Brook Road in Oxford. If you need help call Bert at 515-3000.

Alpha & Omega Thrift Shop at NPSW location on Brown St. Norway.

Save \$\$\$\$ at Alpha & Omega!

People from the Oxford Hills and surrounding area are welcome to come shop and to contribute items to us even if this is not your place to dispose of waste. Call Bert at 515-3000 if you need help. We say, “If it will sell we can sell it. We also have items we give away, if we are not able to sell them to help recycle. The Alpha & Omega Thrift Shop is managed by Bert Rugg, along with Sue Bowen and is run by a volunteer staff of faithful people from the surrounding communities. Come visit and meet the volunteers, Tues: Dot Stevens, Wed: George Phinney & daughter, Ellen and Sue Bowen, Fridays: Maureen Simmons and daughter Michelle, Saturdays: Mary Lovejoy, these volunteers really make this place tick.

We are looking for more volunteers, even a 3 hour shift helps. We are pleased to be helping recycle good salable merchandise that would otherwise be thrown out. Thrift shops are very popular and cropping up all across the state. If you need help contact Bert at 515-3000.

Our hours of operation are 10AM-4:00 PM. Tuesdays, Wednesdays, Fridays and Saturdays. This makes us open every day the NPSW facility is open as they are closed on Mondays and Thursdays. We are closed on Sundays to honor the Lord. We have a 48’ storage trailer the folks at NPSW let us use to store merchandise in. This is easily accessible and is planned for items going to the big yard sales on Rte. 26. We also have the 53’ storage trailer, we got from the folks at Schiavi Leasing for a low price. These trailers are now both located at the NPSW location.

PLEASE HELP US BY NOT LEAVING ITEMS OFF AT HIS PLACE TEEN CENTER ANY MORE. PLEASE CALL BERT AT 515-3000 TO ARRANGE PICK UP OR TO ARRANGE TAKING THEM TO THE ALPHA & OMEGA THRIFT SHOP LOCATION.

The 53' storage trailer will be used to store items earmarked for the thrift store. and the furniture and better items that are donated to keep them safe. This trailer is right along side the 48' one and is also easily accessible to load and unload merchandise.

We are now accepting good salable appliances, stoves, refrigerators, washers, dryers, furniture, especially dressers, bureaus, beds, Queen and twin beds are in big demand, tables, chairs etc., kitchen items, nick nacks, toys, good clean clothes etc. We say if it will sell we can sell it! The thrift shop and our big yard sales on Rte. 26 really help us. Another great thing about this outreach it provides a place for the youth to volunteer some time, learn a good work ethic, and help us reach their peers. If you would like to volunteer, donate or have any questions contact Bert. As the visionary, Executive Director, and fund-raiser, of this ministry outreach I personally want to thank everyone that has helped us in reaching the youth in the Oxford Hills and surrounding area. If you want to contribute to helping us pay off this mobile unit early, please contact Bert Rugg at 743-9503 or 515-3000, or send a check to His Place Teen Center, 254 Webber Brook Road, Oxford, ME 04270.

IF YOU WOULD LIKE TO HELP WITH THE THRIFT SHOP CONTACT BERT. WE NEED VOLUNTEERS TO HELP US!

First yard sale for the season May 21-27. We need lots of good merchandise. We are presently collecting yard sale and thrift shop items. If you would like to contribute good salable items or would like to volunteer to help us with the Alpha & Omega Thrift Shop or yard sales please contact me at the office 743-9503 or my cell phone (515-3000). We need people for Tuesdays especially right now.

Thank You!

*We want to thank Bob and Donna at Blueberry Mountain for the way they made our "Seek Ye First" weekend a special one. Read story.

*We want to thank Ron Blake, and Thom and Fred's Flooring, for helping us with our new tile floor in the kitchen. Ron worked very tenaciously putting the tile floor in once we cleared out all the kitchen equipment. We moved it into the multi-pupose room so he could work. He also put in a special pattern in the center of the room. Looks great!

*We want to thank Keith Hadley for moving our 53' storage trailer from His Place Teen Center to Alpha & Omega Thrift Shop May 2nd. The Thrift Shop is located at the NPSW facility. See article in this issue.

Mexico Missions Trip!

Fran and I along with 9 other people joined up with the Oxford Advent Christian Church missions trip to San Felipe Mexico Feb. 14-25 to help build the Son Shine Hacienda Orphanage. It was so exciting to be a part of this team and to accomplish all we did. We went to help build the orphanage and were also a part of helping the Mexican people reach out into their community. Through our efforts and theirs at last count 11 people have made a commitment to serve Christ. At this time Fran and I along with Rich Maguire are planning to take a team back to help on the Son Shine Hacienda Orphanage in March or April of 2009. We are also helping raise funds for the Son Shine Hacienda Orphanage with the "Build a Future Buy A Block" Campaign. We are raising funds to purchase 500 blocks or \$1,000.00 for this cause. If anyone would like to help you can buy 1 block for \$2.00, 16 blocks for \$30.00, for an end wall, or \$100.00 for 1 row for a front or back wall. All donations are appreciated. You can make a tax deductible contribution to 99 Plus 1 Ministries and they will send you a receipt. Check out their website at www.99plus1.org. If you would like to join us for the missions trip in March or April next year contact Bert Rugg at 743-9503 or Cell 515-3000 or e-mail at youthhptc@yahoo.com. We will finalize things in September and start meeting regularly for the missions trip. We are looking to take a team of up to 15 people and we already have 8 lined up. Thank you to anyone that helped us go on the missions trip and let me thank you in advance for anything you want to do to help build the Son Shine Hacienda Childrens Orphanage in San Felipe Mexico. God bless you all. Bert & Fran Rugg.

Meet Alex in Youth Corner!

Hello everyone, I'm Alex Sampson and I'm one of the many insane teenagers that goes to His Place Teen Center. Okay- so lets talk about my favorite place on earth... The Teen Center. Why is this my favorite place? Well, this place is a REAL blessing. I can totally be myself here. I get to hang out with some great people and of course, JESUS! Its just such a great place to be! When I first started to attend, I'm like- 'This is so lame. Why am I here with all these weirdos?!' But that's before I knew Jesus. And at this very place I met Jesus. Life before I started going to The Teen Center was- well it wasn't great. I didn't know what I was living for, I was depressed and not to mention a complete and total DRAMA QUEEN. Drama and anger was my middle name. I was such an angry person, and I wanted so much attention all the time. Until God opened up my eyes. He showed me I had someone to live for- him! And that I didn't need to start all that Drama to get attention. At the Teen Center, I was shown God's unconditional love. I made some life long friends that helped me find God. And now I'm sold out for living for Jesus. And honestly- my life has never been better. People think that devoting themselves to God means that you can't have any fun. Well, that's a huge lie. Yes, you have to stop doing sinful things but I swear, live for God, and your life will be better than ever! And guess who gets a spot in heaven forever? You, if You follow God. I've also learned God wants what's best for you. If you follow him, he's going to do bigger things in your life than you've ever thought possible! I just hope that people know how much of a blessing this place is to me- and not just myself, but I'm sure to every teen that comes here. I don't have any clue where I would be without this place. I Praise God for this wonderful place and the amazing staff running it. This place just totally proves there is a God- and how GREAT HE IS!! God Bless!

Love, Alex.
